OVERVIEW

Lay the groundwork for a fulfilling career

Use your horticulture skills in plant care, landscape management, propagation, pruning and fertilising to maintain sprawling lawns, gardens, nurseries and forest parks. We will teach you to recognise, propagate and plant different plants, operate horticultural machinery and equipment, treat weeds, pests and diseases, construct landscape, paving and retaining walls, and establish turf. Give this qualification the green thumbs up.

LOCATION/S

Grovelly

DURATION

Full time: 6 months / 3 days per week
