OVERVIEW

### Nurture your career

If you love pampering and caring for animals, our Certificate IV in Veterinary Nursing program will help you put your nurturing nature to good use. Learn how to support veterinarians in medical and surgical procedures, general clinic operations, monitor animals post medical procedures, supervise junior-level clinic employees, organise animal housing, and apply basic first aid. You will learn in veterinary clinics with real animals for real people in real-life environments.

### University pathways

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.
