OVERVIEW

Become an early childhood educator

A child's early years are particularly important to their long-term development and growth. We'll teach you how to plan engaging educational activities to maximise the development of children. You'll learn how to create individual profiles and work with families to provide appropriate education in a caring environment. From family day care provider to preschool assistant, it's the perfect course to look after your future.

HOW TO ENROL

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
