OVERVIEW

Shape your future

Associate Degree in Civil Engineering is accredited by **Engineers Australia** at the level of Engineering Associate. This professionally-accredited program is also recognised in Canada, Ireland, Korea, New Zealand, South Africa, United Kingdom and the United States of America through Dublin Accord, greatly improving the global mobility of graduates and offering them the opportunity of a truly international career. A qualification in civil engineering will help you shape the future of Australia's infrastructure.

LOCATION/S

South Bank

DURATION

Full time: 2 years / up to 5 days per week
Part time: 4 years / 2-4 days per week (depending on the semester)

Key dates

Location	Start Date	Workload	Delivery
South Bank	29 Jan 2018	Part time / 2-4 days per week (depending on the semester)	Classroom
	29 Jan 2018	Full time / up to 5 days per week	Classroom
	9 July 2018	Part time / 2-4 days per week (depending on the semester)	Classroom
	9 Jul 2018	Full time / up to 5 days per week	Classroom

English language proficiency requirements:

This information is for domestic applicants applying for the Associate Degree in Civil Engineering at TAFE Queensland.

You must be able to speak, write, read and comprehend English to a certain standard to be accepted into a TAFE Queensland higher education qualification..

This is known as 'English language proficiency'.

You must demonstrate English language proficiency if:

- English is not your first language, and
- you haven't taken a course taught entirely in English in a country approved by TAFE Queensland and to a level (e.g. diploma) and standard (e.g. pass/fail) they require.

Demonstrating English language proficiency

To demonstrate your English language proficiency, you need to:

Entry requirements

Applications for this qualification are via QTAC in the first instance. Applicants must [...more online](#)

Annual Indicative Cost | \$24,480

Annual Indicative cost is based on the cost of two full-time semesters. For more information about HECS-HELP visit [Study Assist](#).

OUTCOMES

Outcome

HED001 Associate Degree in Civil Engineering

On completion of this degree, graduates are able to work as engineering, ICT, and science technicians within a variety of industries, including local and state government agencies, consultancies, construction industry, mining sector, and the like.

"Many graduates from this course continue onto engineering Bachelor degrees at universities such as Queensland University of Technology (QUT), Central Queensland University (CQU), and the University of Southern Queensland (USQ). TAFE Queensland has negotiated pathways with these universities, providing our graduates with credit exemptions up to 1.5 years when they enrol in Bachelor of Engineering (Honours) and Bachelor of Engineering Science degrees at these universities

Alumni connections

When you graduate from TAFE Queensland you automatically become

Job prospects

- Engineering Professionals

ARE YOU READY TO TAKE THE NEXT STEP ON YOUR PATH TO GREAT?

Enrol today to secure your spot in this course.

HOW TO ENROL

Enrol now

You're ready if you've:

- Checked your important dates (under the course details tab)

Accurate as at 8 December 2017. For the latest information see:

tafebrisbane.edu.au/course/10250

RTO 0275
CRICOS 03020E

part of our dynamic, inspiring and talented alumni community. As an alumnus, you can access the range of benefits and services that the TAFE Queensland alumni office provides, including lifelong learning, personal and professional development, events, and volunteer opportunities.

- Design Modelers
- Site supervisors
- Estimators
- Engineering Surveyors
- Soil technicians
- Design drafters

- Checked you meet the entry requirements (under the course details tab)
- Checked your course costs and know which payment option is right for you (under the costs tab)
- Read the [student rules](#)
- Apply through [QTAC](#) or through [Direct Entry](#)

All done? You're ready to enrol

Units

The successful achievement of this Associate Degree requires you to complete all core and 1 elective unit from the list below.

Year 1 Semester 1

CEA101	Civil engineering mathematics	Core	
CEA102B	Civil engineering fundamentals	Core	
CEA103	2D CAD	Core	
CEA104	Workplace practices	Core	

Year 1 Semester 2

CEA105	Engineering surveying	Core	
CEA106	Civil design and drafting	Core	
CEA204	Structural design/drafting 1	Core	
CEA108	Advanced mathematics	Elective	Elective 1/2 - Choose CEA108 or CEA109
CEA109	Advanced CAD	Elective	Elective 2/2 - Choose CEA108 or CEA109

Year 2 Semester 1

CEA201	Geoscience	Core	
CEA202	Project management	Core	
CEA203	Road design	Core	
CEA207	Structural engineering/drafting 2	Core	

Year 2 Semester 2

CEA205	Municipal engineering	Core	
CEA206	Environmental engineering	Core	
CEA107	Construction and estimating	Core	
CEA208	Engineering project	Core
