Microchip Implantation for Dogs and Cats Skill Set - Online

+

HELLO THERE, OUR DREAM IS TO HELP YOU **MAKE GREAT HAPPEN**

Payment options

Student satisfaction

OVERVIEW

Help reunite lost pets with their families

Help people find their beloved four-legged or feathered friends. You don't need to be a veterinarian; our Microchip Implantation for Dogs and Cats Skill Set course is an easy to follow combination of online and practical assessments. Learn how to implant permanent identification devices (microchips) into dogs and cats, maintain and monitor pet's health during and after the procedure, and occupational health and safety practices.
