OVERVIEW

Climb to the top of the career ladder

TAFE Queensland has partnered with Federation University Australia to deliver the Bachelor of Applied Management. The degree blends strategic knowledge, essential for developing an organisation, with applied learning. It will give you the practical planning, marketing, finance, and people skills you need to holistically manage a complex contemporary business.

Designed specifically for experienced professionals, the degree affords you the opportunity to turn your industry knowledge into a formal university qualification. If you satisfy the entry criteria,
