HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Welcome to your future

The Certificate III in Information, Digital Media and Technology introduces you to digital media and communication technologies. You will become familiar with the administration and maintenance of a computer network’s user environment, Windows domains, and Information and Communication Technology (ICT) functions. Learn basic computing skills, hardware and networking and the creation of technical and user documentation.

LOCATION/S
Loganlea, South Bank

DURATION
Full time: 6 months / up to 3 days per week

FULL FEE | $5,000
This is the total cost of the course.

SUBSIDISED | $2,318
The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

CONCESSION | $1,424
You are eligible for the concession price of a course if you are eligible for subsidised training, and are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card, if you are Aboriginal or Torres Strait Islander, you hold a Department of Veterans’ Affairs Pensioner Concession Card, or if you have a disability. Further information about concessions.

University pathways

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.

More info:
Learn more about University Pathways

Our pathway partners include:

ICT30115 Certificate III in Information, Digital Media and Technology.
- This qualification is a pathway to multiple diplomas with a major in networking, website development and software development.

Job prospects
- ICT Network And Support Professionals
- Technical Support Technician/Specialist

Outcome

ICT30115 Certificate III in Information, Digital Media and Technology.

- This qualification is a pathway to multiple diplomas with a major in networking, website development and software development.
