## Diploma of Website Development

**HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN**

- Industry endorsed
- University Pathways
- Payment options
- Student satisfaction
- \$10000 VET Student Loan available

OVERVIEW

### Become a Web Professional

Learn best-practice techniques for developing modern web infrastructure. Learn to design, develop and administrate websites in cloud-hosting environments, using up-to-date web frameworks, and content management systems (CMS). Start by learning markup with CSS and HTML, and end with a deep knowledge of integrating server-side and client-side technologies with databases, PHP script and JavaScript. We will end by creating from scratch; a portfolio quality, dynamic web project of moderate complexity.

## Outcome

ICT50615 Diploma of Website Development

### University pathways

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.
