OVERVIEW

Looking for a career with Heart?

Provide personal care and support to people in the aged community or those living with dementia or a disability. We will teach you how to work one on one with elderly people to maximise independence and build wellbeing. You will learn to work legally and ethically with a diverse range of people and help them maintain a better quality of life. This course is suitable for people with no previous experience, as well as those who work in a related field and want to formalise their existing skills in community work, aged care, disability, or individual support.
