OVERVIEW

Get your career into shape

Pump up your career in fitness. Get advanced technical skills and knowledge in exercise science, programming, client appraisal and evaluation, exercise and nutrition programming, and project management. This qualification opens the door to opportunities in personal training, sports conditioning or delivering fitness classes to children or older adults

This qualification is part of the Fitness Industry Training Package and builds on the knowledge and skills gained in the Certificate III in Fitness.

University pathways

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.
