Put your career in focus

Develop your creative skills in purpose built facilities where you are supported by teachers who are deeply invested in their industry. You will advance your ideas and refine your photographic skills through this practical, hands-on course that also offers the perfect balance of academic knowledge that you will need for commissioned and public display projects. You will learn to apply concepts and theories of creativity and develop expertise in photo media and other visual representation tools.

Upon graduating you will be ready to be an active participant

Location/S
South Bank

Duration
Full time: 6 months / up to 2 days per week and independent learning

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.

Make your future happen
