The Diploma of Screen and Media (Interactive Media) has been designed specifically to appeal to those students who are wishing to gain a broad range of media production skills. You will find yourself studying in areas of Graphic Design, 3D modelling and animation along with Screen and Visual Effects. Being creative is the flair of this course and will enable you to stretch your legs into the world of Multimedia.

This course will provide students with the skills to tackle roles such as junior digital designer and junior digital content developer.

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.
