TAFE Queensland Brisbane wins Corporate Event of the Year

TAFE Queensland Brisbane has taken out the prestigious title of 'Corporate Event of the Year' at the Meeting and Events Australia National Awards Gala presented at Hamilton Island Convention Centre on 26 May 2015.

Finalists from around Australia descended on Hamilton Island after winning their State division in April 2015. Participants experienced a three day conference as well as attended the anticipated MEA Awards which recognises excellence in the meeting and events industry in Australia.

The MEA awards were broken into five categories which recognised individuals, venues, products and services, as well as organisation management. TAFE Queensland Brisbane had been nominated for the hard work and execution of Graduation ceremonies in 2014. Graduation is TAFE's flagship event, which attracts over 5,000 guests every year.

Jody Hart, Marketing and Communications Manager and Rebecca Leo, Events and Engagement Manager at TAFE Queensland Brisbane accepted the Award on behalf of the Organisation.

"The event (Graduation) provides a unique and special opportunity to celebrate the graduating students, their accomplishments and our mantra to Make Great Happen," said Rebecca Leo, Events and Engagement Manager.

The next TAFE Queensland Brisbane Graduation Ceremonies will be held in July 2015. For more information about TAFE Queensland Brisbane's website tafebrisbane.edu.au or gain more information on our [Graduation Ceremonies](#).
