**PROGRAM OVERVIEW**
Students studying photo imaging, graphic design and visual arts will undertake 3 day workshops at the Fashion Institute of Technology (FIT) in New York and also participate in cultural activities including guided tours of Manhattan’s art mecca such as The Metropolitan Museum, Museum of Modern Art, Guggenheim, Brooklyn Museum, Whitney Museum and many tourist attractions like Central Park, Chelsea, Greenwich Village; the High Line and the Empire State Building, to name a few.

The study tour will allow for opportunities to gain inspiration from the New York scene to photograph, design, draw and paint. Students will also explore and experience first hand, New York design, photography and artists studios.

It is intended that the creative arts workshops will involve elements including but not limited to:
- Principles of Visual language
- Design
- Creative Solutions for thinking differently
- Trends/contemporary practices
- And more!

- A detailed draft itinerary will be provided to students after acceptance into the program but please note that this may also be subject to change.
