PROGRAM OVERVIEW

The Hong Kong / China study tour is organised by the Hong Kong Institute of Vocational Education (IVE).

This 9 day program will escort students and staff around Hong Kong and through the Guangzhou District of China; exploring factories and sourcing fabrics through the bustling market districts. Students will undertake a 2 day workshop at IVE (details to be confirmed).

The tour will also take the students on a research and sourcing day at the Sham Shui Po wholesale fabric markets and on to the Kowloon vintage fabric markets. Students will also have the opportunity to participate in a fashion accessories workshop. A highlight of this tour is that this program coincides with Hong Kong Fashion Week! This program will give students a unique opportunity to experience a couple of days at this amazing event.

- A detailed draft itinerary will be provided to students after acceptance into the program but please note that this may also be subject to change.
