BSBMKG413A Promote products and services

PROGRAM OVERVIEW

Students will have the opportunity to travel to Hong Kong and participate in classes over 5 days at IVE focusing on Professional tour guiding practices and Travel Product Development and Tour Planning. Selected Travel and Tourism students may commence their project as part of their course in Australia on 'Prepare and present tour commentaries or activities'. Student selected to travel abroad would be able to research the local area of Hong Kong in advance and develop their tour package relating to activities associated with the Mid-Autumn festival. Upon completion of the classes at IVE, selected Events students could present and promote the tour as a product or service to IVE students. Students may also have the opportunity to participate in cultural immersion activities such as Victoria Peak, Hong Kong Disneyland, Hong Kong Street markets, museums, and other famous tourist attractions.

This program includes basic language classes prior to departure and upon arrival in Hong Kong. Basic language classes will occur 2 hours per week and commence approximately 2 months prior to departure. Further information will be provided at your information session.

-A detailed draft itinerary will be provided to students after acceptance into the program but please note that this may also be subject to change.
