It’s time we celebrate the doers. The builders, the bakers, the fancy clothes-makers. The picture takers and flower bunchers, city makers and number crunchers. The protectors, the nurturers, the entertainers, and the people who make us all look beautiful. The upskillers, the room chillers, and the all-important pollution killers. The mariners and miners, mechanics and medics, the graziers and glaziers, and people who just amaze you. You’re the people who make the world turn. You’re the people who make great happen.

TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. We are government-owned and operated. In some countries TAFE is also known as a Polytechnic, Technical College or Community College.

Did you know?
› We are a government backed educational provider
› We’ve been in the business of training for more than 130 years
› We’ve trained more than seven million Queenslanders
› And, at last count, we had more students than all the Queensland universities combined

It’s no wonder 86% of Queenslanders know about TAFE – more than any other education provider.

But… we’re not content to rest on our laurels.
You may have noticed some big changes lately. Our new branding reflects a modern TAFE Queensland network working together across all regions as one united team.

This makes us stronger, more focused and we’re truly excited to bring you an even better student experience.

We are TAFE Queensland Brisbane.
Our local track record is just as impressive:
› We host over 40,000 resident and international students each year
› We deliver over 200 practical, nationally-recognised accredited qualifications
› We have award-winning teachers, purpose-built facilities, strong industry partnerships, hundreds of university pathways and flexible options to learn at home, online, on the job or at one of our many campuses.

This is just scratching the surface of what you can expect when you enrol at TAFE Queensland Brisbane.

You may choose our world-class education and training facilities for a different reason, but one thing is for sure. With our long history and extensive experience, TAFE Queensland Brisbane will continue to stand out among training providers for its uncompromising quality and best-practice approach. We’re here for you, to make great happen.

Facilities
Our facilities* are designed with a well-rounded student experience in mind, featuring plenty of spaces to socialise, organise, theorise and even exercise around your timetable. We have:
› student administration
› libraries
› assistive technology rooms
› student accommodation
› book stores
› childcare
› restaurants and cafés
› fitness centres
› on-campus Wi-Fi
› ATMs
› parking
› green, open space to relax in!

* Facilities vary between campuses. ** Cross-campus services are available by appointment.

Student services
A professional support team** is available to ensure that you — irrespective of your educational background, cultural heritage, abilities or personal story — have access to appropriate guidance to help you succeed. We offer:
› learning services
› tutorial support
› mentoring
› study guidance
› counselling
› disability services
› student support (general)
› student support (international).

Study options
Our study options help you connect your lifestyle with your learning preferences. We offer a range of qualification types, with hundreds of university pathways to help you achieve your goals. These include:
› post-graduate qualifications
› associate degrees
› advanced diplomas and diplomas
› certificates.
How to use this guide

In this guide you will find course information that is accompanied by codes. These codes will assist you to identify the course, study and campus options that best suit you. Use this page as a legend when reading the tables.

</tr>
</tbody>
</table>

THIS TABLE MEANS:

The Diploma of Business includes a Certificate IV and Diploma in Business; is available at South Bank (A$16,000) or Mt Gravatt and Loganlea (A$12,500) with intakes in January and July 2015; it takes 1 year full time to complete and has several university partners available that you may directly articulate into.

Where a university pathway is identified, the number of semesters reflects the duration remaining for that course of study.

Some university pathways have only one intake a year. We recommend that you investigate these courses in conjunction with your education counsellor, as it may affect visa constraints.

The Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) is an Australian education provider reference number for courses offered to people studying in Australia on student visas. For more information on CRICOS numbers visit cricos.deewr.gov.au.

CAMPUSSES

CB – Caboolture  GV – Grovely  LL – Loganlea  MG – Mt Gravatt  SB – South Bank

OUR PARTNER UNIVERSITIES

ACU – Australian Catholic University
BU – Bond University
CST – Charles Sturt University
CQU – Central Queensland University
GU – Griffith University
QUT – Queensland University of Technology

SCU – Southern Cross University
UQ – The University of Queensland
UC – University of Canberra
USC – University of the Sunshine Coast
USQ – University of Southern Queensland
Brisbane

Brisbane is an exciting and easy place to live with its warm climate, friendly people, vast array of attractions and population of 2.15 million.

It has the excitement and diversity of a big city, yet offers a relaxed pace of life in a friendly, safe and multicultural environment. As the capital of the sunshine state, Brisbane offers you warm sunny days and mild nights which create a tropical ambience that’s perfect for soaking up the city’s outdoor lifestyle.

Australian fast facts

**Australian population:** 22.95 million  
**Brisbane population:** 2.15 million  
**Geography:** Australia is the world’s sixth largest country at 7,682,300 km²  
**Language:** English  
**Culture:** Australia’s culture is predominately Western, influenced by Aboriginal and Torres Strait Islander people and the country’s multicultural population.  
**Ethnic groups:** Almost six million migrants, born in over 200 countries, reside in Australia. The majority come from the United Kingdom, New Zealand, China, India and Italy.  
**Lifestyle and safety:** Australia is a modern and friendly country, offering a great, relaxed lifestyle. It is also a peaceful, safe and affordable country to reside in, making it a top choice for international students to further their education.  
**Legal system:** Westminster system of government and law inherited from the British who colonised the country.  
**Major industries:** Primary export products include minerals and energy, premium quality agricultural and services, innovation and creativity.
BRISBANE WEATHER

SEASONS

- 22-35°C Summer

Why you should study with us

1. We have support services to help you every step of the way.
   Our teachers, support officers and library and learning services are there to help you settle into your studies to ensure you succeed.

2. We’re local and flexible.
   We’ve got many vibrant campuses located throughout Brisbane. Our flexible teaching methods combine theory, practical and on the job training.

3. You’ll learn practical skills in real-world work environments.
   Our facilities replicate industry standards to ensure that you hit the ground running when you land your first job.

4. Our teachers are industry professionals and bursting with practical knowledge.
   Our teachers are what sets TAFE apart from the rest – they have years of experience you can tap into.

5. We recognise your skills to fast-track your studies.
   We know that skills learned on the job are invaluable, which is why we reward your experience with credit towards your study.

6. We win coveted awards, and so do our students.
   We are proud to say that our students and teachers are doing amazing things, and getting recognised for it.

7. Student satisfaction is important to us.
   We have an 89% student satisfaction rate which we think is pretty great, but there’s always room for improvement which is why we’re busy working on the other 11%.

8. We’re well connected to top universities.
   We have over 270 pathways to university. That means you can get credit for your TAFE qualification to fast-track your degree at some of Australia’s best universities.

9. Employers want to hire our graduates.
   We have strong partnerships with industry. Our students have gone on to work with leading global, national and local organisations.

10. We make great things happen!
    You’ll learn practical skills in real-world work environments. Our facilities replicate industry standards to ensure that you hit the ground running when you land your first job.

Information and courses contained in this booklet are correct as at July 2014 and are subject to change at any time without notice.
At first it was difficult to understand the Australian accent, but after completing my studies, it’s much easier. The teachers made me feel welcome and explained everything. Now, I am looking forward to starting my university studies.

Juvenal Ndayishimiye,
Certificate III and IV in Spoken and Written English (further studies)

</tbody>
</table>

This is a 12 week program designed to provide you with the study skills necessary for entry into a formal program requiring an equivalent entry level of IELTS 5.5 or TOEFL 530 or ISLPR 2+.

**Entry requirements:** IELTS 5.0, TOEFL 515, ISLPR 2 or successful completion of General English Intermediate, high or satisfactory level result in a TAFE Queensland Brisbane ELICOS placement test.

**Further study options:** Satisfactory completion of this program will give students direct entry to most of the formal programs at TAFE Queensland Brisbane provided that students meet academic and other entry requirements. Certain programs such as Diploma of Nursing, Associate Degree on Civil Engineering, Diploma of Paramedical Sciences and Diploma of Dental Technology have English entry requirements higher than ISLPR 2+, IELTS 5.5, TOEFL 530.

* For specific intake dates refer to the English Language Program Calendar 2014/15 located under the course details at tafebrisbane.edu.au.

** A one off enrolment fee of $150 is applicable. Textbooks for ELICOS programs cost approximately $70 per level.

This program will prepare you for the International English Language Testing System (IELTS) examination.

**Entry requirements:** IELTS 5.0, TOEFL 515, ISLPR 2 or successful completion of General English Intermediate high level or satisfactory level result in a TAFE Queensland Brisbane ELICOS placement test.

**Further study options:** Students with IELTS 5.5 (official test taken externally) or successful completion of 12 weeks of IELTS preparation will gain direct entry to certificate and diploma level courses at TAFE Queensland Brisbane (except Diploma of Dental Technology, Civil Engineering, Nursing and Paramedical Science). Students may gain direct entry to university provided a sufficient grade is achieved in an externally taken IELTS examination.

* For specific intake dates refer to the English Language Program Calendar 2014/15 located under the course details at tafebrisbane.edu.au.

** A one off enrolment fee of $150 is applicable. Textbooks for ELICOS programs cost approximately $70 per level.

This course is specifically designed for those who are going to enrol into the Diploma of Nursing (Enrolled-Division 2 Nursing) at TAFE Queensland Brisbane. There is a focus on the English language knowledge and skills required for success at a tertiary level in the specific field of nursing and health care.

**Entry requirements:** Students with IELTS 6.0, TOEFL 530 or ISLPR 3 will gain entry into the Diploma of Nursing (Enrolled-Division 2 Nursing). For entry requirements please refer to Nursing section of this prospectus.

**Further study options:** Satisfactory completion of this course will give students direct entry to a Diploma of Nursing at TAFE Queensland Brisbane provided that students meet academic and other entry requirements.

---

* EAP Nursing: 20 hours per week = 200 hours.
** A single administration charge of $150 applies to all new students.

### ISLPR Preparation Program

**International Second Language Proficiency Rating (ISLPR)**

This is a preparation course which prepares you for the internationally recognised International Second Language Proficiency Rating (ISLPR) examination. A formal ISLPR examination will be taken in the final week of the course.

**Entry requirements:** ISLPR 2 or IELTS 5.0 or successful completion of TAFE Queensland Brisbane General English Intermediate low or satisfactory result in an ELICOS placement test.

---

* For specific intake dates refer to the English Language Program Calendar 2014/15 located under the course details at tafebrisbane.edu.au.
** A one off enrolment fee of $150 is applicable. Textbooks for ELICOS programs cost approximately $70 per level.

### ISLPR Testing

Give your business career more options, with comprehensive training in the knowledge, skills and attitudes required to operate successfully in any business environment. Obtain a solid foundation with a cross-section of subjects from management, human resources and marketing streams. This is the perfect course for positions in middle and lower management in either industry or government.

Entry requirements: IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+ and successful completion of Year 12 or equivalent. Students enrolling in the Diploma of Business must complete the Certificate IV in Business as part of their studies.

Career opportunities: Middle level manager, administration officer, team leader, supervisor, business trainee.

Further study options: Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

1 Certificate IV can be studied as a stand alone program. For individual prices, please refer to the table under Courses at a Glance section (p.8-9).

University pathways:
- Bachelor of Business – QUT – 4 semesters
- Bachelor of Business – USQ – 4 semesters
- Bachelor of Business – SCU – 4 semesters
- Bachelor of Business (Tourism, Leisure, Event and Management) – USC – 4 semesters
- Bachelor of Business Management – UQ – 4 semesters
- Bachelor of Environmental Tourism Management – SCU – 4 semesters
- Bachelor of Sport Tourism Management – SCU – 4 semesters

Before I started TAFE I was managing a team in hospitality. I wanted to improve my management skills in a practical course, and find an alternative pathway into university. TAFE surpassed my expectations. I really enjoyed the hands-on approach and the supportive teachers. The subjects were really interesting and I learnt more than I ever expected.

John Maughan,
Dual Diploma/Degree in Business

This program focuses on rock/pop performance and production and will teach you to use technology to develop your performance, theory, technical and production skills in a practical and relevant medium. From gigs to contracts, song-writing to MIDI, the program is designed for the artist who is waiting for the right opportunity to take the next step in the music industry.

**Entry requirements:** IELTS 5.5 (with no individual band less than 5.0), TOEFL 530 or ISLPR 2+ and completion of Year 12 or equivalent. Applicants will be required to submit an audio CD of their instrument or voice. Please provide information stating the CD content (e.g. vocal, instrumental). Home recordings will be accepted. Audio demo assessment criteria: consistent pitch accuracy, consistent rhythmic accuracy, a demonstrated range of dynamic expression and demo piece is in the rock/pop genre.

Applicants are requested to include supporting documentation relevant to their application. This should include resume, biography, academic results, personal or professional references and any other relevant material.

**Career opportunities:** Live musician, studio musician, MIDI programmer and arranger, music producer, film and television composer, jingle writer and music retailer.

**Further study options:** Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

**University pathways:**
- Bachelor of Music – QUT – 6 semesters
- Bachelor of Creative Arts – USQ – 4 semesters

* The delivery of this program is subject to the number of students who enrol.

This was the biggest and most helpful stepping stone in my music career. My teachers were industry professionals and eagerly shared their knowledge with me. My success in music has been mind-blowing; I’ve performed at Stereosonic, Summerfielddayze and Creamfields festivals, and in nightclubs.

Leigh Robke,

Turn your passion for creativity into a profession in the exciting field of the visual arts. Give yourself the most comprehensive start to your career as an artist or art teacher/trainer. Covering everything from painting, drawing and sculpture to digital media, photography and community projects, it’s the perfect course to exhibit and develop your complete range of skills.

**Entry requirements:** IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+ and submission of a folio relating to visual arts and completion of Year 12 or equivalent.

**Career opportunities:** Artist, art teacher/trainer, self-employment in arts and craft industry.

**Further study options:** Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

**University pathways:**
- Bachelor of Fine Arts – GU – 4-5 semesters
- Bachelor of Creative Arts – USQ – 4-5 semesters

**Sung Lee,**
*Diploma of Visual Arts*

“I have been stretched to be a great artist and the knowledge and information I have received from the teachers has been exceptional.”
Advanced Diploma of Visual Arts

This program will develop your ideas and refine your skills for self-expression across any visual art medium. Learn to apply concepts and theories of creativity, and develop expertise in drawing and other visual representation tools. Your training will prepare you for independent practice as a professional visual artist helping you to become an active participant in the visual arts industry. Our teachers are well recognised in the industry and many of their works are being exhibited around Australia.

**Entry requirements:** IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+ and submission of a folio relating to visual arts and completion of Year 12 or equivalent.

**Career opportunities:** Art teacher (private tuition), professional artist.

**Further study options:** Upon successful completion of the advanced diploma you can take advantage of our pathway options to university with guaranteed study credits.

**University pathways:**
- Bachelor of Fine Arts – GU – 6 semesters
- Bachelor of Creative Arts – USQ – 4-5 semesters

---

Diploma of Graphic Design

This program is vocationally based with a strong emphasis on creative design skills and technical proficiency. The course explores the fundamentals of design, including principles and elements of design, drawing, typography, colour theory, reproduction processes, communication skills and computer software applications.

**Entry requirements:** IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+, submission of a folio* relating to graphic design, completion of Year 12 or equivalent folio specifications. Student’s folio should demonstrate skill in design, drawing and composition.

Folio pieces should include both hand rendered and computer generated images and include developmental sketches and process work as well as the finished work. Assessment will be based on the student’s ability to develop concepts, drawing and design skills and use of typography.

Include 10-15 pieces that have been produced in the last 12 months. Please contact TAFE Queensland Brisbane for full details of folio requirements.

**Career opportunities:** Graphic designer, print based design and production, web design, motion graphics, employment in advertising agencies, design studios and print shops.

**Further study options:** Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

**University pathways:**
- Bachelor of Design – GU – 6 semesters

---

* Folio will not be returned.
Engineering, Architectural Studies and Interior Design

Associate Degree in Civil Engineering

Plan for a career in civil engineering by undertaking a program that develops your design and drafting skills. You will learn how to design and produce drawings for a variety of public facilities such as roads, pipelines, dams, bridges, steel and concrete structures. The course covers everything from CAD programs to surveying and construction.

This program is a higher education sector qualification at Australian Qualifications Framework level 6. Students who complete the Associate Degree in Civil Engineering may be eligible for credit into the Bachelor of Engineering at universities such as QUT and USQ.

Entry requirements: IELTS 6.0 (with writing 6.0 and no individual band less than 5.5), TOEFL CBT 213 or IBT 80 or ISLPR 3 and completion of Year 12 or equivalent with a sound achievement in English. Year 12 Maths A or equivalent is assumed knowledge though not essential. Year 12 Maths B is recommended. Visa subclass 573 Higher Education student visa application is required.

Career opportunities: Design drafters using computers in the production of drawings for roads, pipelines, dams, bridges, high-rise buildings.

Further study options: Upon successful completion you can take advantage of our pathway options to university with guaranteed study credits.

Diploma of Interior Design and Decoration

Enhance your career with the latest in design and technical computer skills by enrolling in our Diploma of Interior Design and Decoration program. Learn about the traditional aspects of interior design, and use this knowledge to take designing to the next level by gaining practical skills in modern construction methods and computer-generated technical drawing.

Throughout your studies you will gain practical skills in interior design and decoration, combined with innovated computer generated architecture drawings and rendering skills underpinned with construction methodology.

Entry requirements: IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+. Students must be a minimum of 18 years old, or turning 18 within their first year of study. Students required a completed year 12 or equivalent with a sound achievement in English and Maths A, B or C or non-school leavers are selected according to eligibility and merit, vocational experience, previous study and personal competencies.

Career opportunities: Interior decorator and designer, drafter.

Further study options: Upon successful completion you can take advantage to our pathway options to university.

University pathways:

› Bachelor of Design (Honours) – QUT – 6 semesters
› Bachelor of Design Futures (Honours) – GU – 6 semesters
Winning the 2012 Building Design Student of the Year award was definitely a highlight. Throughout the course I made great friends and gained invaluable knowledge and skills, which I will use in my future studies and careers. Combining practical skills with one-on-one teacher interaction and an amazing learning environment provided me with specific and practical industry knowledge.

Andre Mijic, 
Diploma of Building Design and Technology 
2012 Building Design Student of the Year Award
I feel like I have found the missing piece to my life. I had to wait my time, but now that it’s here and with the help of my qualifications, I am ready to take on that career in age care that has been my life-long calling.

Caroline Whiting,  
Certificate III in Aged Care,  
Certificate III in Home and Community Care

This program was designed by the nursing profession to prepare you for employment as enrolled nurses and to also achieve personal and professional development for those already employed in the industry. Enrolled nurses are first-level nurses who practice in all areas of clinical nursing under the supervision of registered nurses. This program includes medication endorsement allowing the enrolled nurse to administer medications.

**Entry requirements:** IELTS 6.5 (with no individual band less than 6.0), ISLPR 3+ in all skills or IELTS 6.0 (with no individual band less than 5.5) plus successful completion of TAFE Queensland Brisbane’s 10 week EAP Nursing program and completion of Year 12 or an equivalent or successful completion of Certificate III in Aged Care.

**Career opportunities:** Successful students will achieve an Enrolled Nurse status with the Australian Health Practitioner Regulation Agency (AHPRA) provided that they meet English requirements for registration.

They will be required to register annually with the AHPRA in order to maintain their registration and licence to practice. Employers include private and public hospitals and nursing homes.

**Further study options:** Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

**University pathways:**
- Bachelor of Nursing – GU – 4 semesters
- Bachelor of Nursing – Q UT – 4 semesters

Learn the full range of skills needed to take responsibility for anaesthetic preparation, provide professional assistance to the anaesthetist during procedures and assist clients during post-operative recovery.

From developing competency in aseptic techniques, control of microbial growth and sterilisation and decontamination procedures, this is the perfect course to develop your career prospects.

**Entry requirements:** IELTS 6.0 with no individual band less than 5.5, or ISLPR 3 on all skills and completion of year 12 or equivalent. TAFE Queensland Brisbane requires that applicants have possession of a current Senior First Aid Certificate and Hepatitis B immunisations are mandatory. Students must be able to provide records to substantiate this or blood test results to show immunity.

**Career opportunities:** Anaesthetic technician.

* The delivery of this program is subject to the number of students who enrol.

The Diploma of Fitness is industry accredited and as a successful graduate you can register as a fitness specialist. It has been developed for existing fitness professionals wishing to upgrade their skills or people looking to start out in the fitness industry. The Certificate III and IV in Fitness are incorporated in this course so if you've already completed these qualifications you may be able to complete the diploma within 6 months. With fitness certificates incorporated you will also gain your gym instructor and personal trainer qualifications.

The Diploma of Fitness covers a wide range of areas including:
› exercise management and interventions for specialised client needs such as metabolic syndrome, health risk factors or musculoskeletal needs
› working in collaboration with allied health professionals
› nutrition for specific requirements
› injury prevention and management
› managing organisation and marketing strategies.

**Entry requirements:** A minimum age of 18 years or turning 18 during the first year of the program and English Proficiency: IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+ and completion of Year 12 or equivalent.

**Career opportunities:** Registered fitness specialist, registered fitness trainer (including personal trainer), registered fitness instructor, sports conditioning coach, exercise management consultant.

**Further study options:** Upon successful completion of the Diploma you can pathway to university.

\(^1\) Certificate IV and III can be studied as a combined or stand alone program. For individual prices, please refer to the table under Courses at a Glance section (p.8-9).

**University pathways:**
› Bachelor of Exercise Science – GU – 5 semesters
› Bachelor of Business (Sport Management) – GU – 5 semesters

I love helping people take control of their health. I’m 18, but I already have experience as a school fitness assistant, PT and gym instructor. I have great practical skills and knowledge, leading industry experience and a spring-board to university.

College of Tourism and Hospitality

Diploma of Hospitality

This program aims to provide you with the practical skills and knowledge necessary to carry out functional activities in food and beverage, housekeeping, front office and commercial kitchens at an operative level. This program will facilitate progression, with appropriate subsequent experience, to supervisory level in hospitality organisations such as hotels, restaurants, bistros, convention centres, resorts and catering organisations.

Entry requirements: IELTS 5.5 (with no individual band less than 5.0), TOEFL 530 or ISLPR 2+ and completion of Year 12 or equivalent with a sound achievement in English and mathematics.

Career opportunities: Graduates of this program with relevant work experience could seek employment as a functions or catering supervisor, food and beverage supervisor, housekeeping supervisor, restaurant supervisor, concierge, purchasing officer, accounts clerk, guest service agent, bar or bistro supervisor.

Further study options: Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

University pathways:

› Bachelor of International Tourism and Hotel Management – GU – 4 semesters
› Bachelor of Business (Marketing and Hospitality) – USQ – 4 semesters
› Bachelor of Hospitality Management – CQU – 4 semesters
› Bachelor of Business – SCU – 4 semesters
› Bachelor of Business Administration – USQ – 4 semesters
› Bachelor of Business (Tourism, Leisure and Event Management) – USC – 4 semesters

Certificate III in Patisserie

Perfect the culinary art of creating gateaux, pastries, petit fours and chocolate confectionary. This course has been developed to provide training in classical and contemporary patisserie techniques as well as practical skills and knowledge to work in the hospitality industry.

Entry requirements: IELTS 5.5 (with no individual band less than 5.0) or TOEFL 530 or ISLPR 2+ and completion of Year 12 or equivalent.

Career opportunities: As a successful student you will acquire the skills to gain employment in leading hotels, restaurants and other commercial catering establishments as a Patissier/Pastry chef.

* The delivery of this program is subject to the number of students who enrol.
Certificate III in Commercial Cookery

Learn to plan, prepare and cost menus, and develop cookery skills to prepare appetisers, salads, stocks, sauces, soups, seafood, meat, poultry, breads, pastries, and cakes. This course has been developed to provide training in the professional cookery industry as well as the practical skills and knowledge to work in the hospitality industry.

**Entry requirements:** IELTS 5.5 (with no individual band less than 5.0), TOEFL 530 or ISLPR 2+ and completion of Year 10 or equivalent.

**Career opportunities:** Employment in hotels, restaurants, hospitals, or any commercial catering establishment.

*The delivery of this program is subject to the number of students who enrol.*

Diploma of Travel and Tourism
(including Certificate III in Travel)

This course provides you with job-ready skills for the tourism industry in a range of sectors including airlines, cruise operators, tour wholesalers, and travel agencies. In the first semester you will obtain globally recognised industry training in Galileo and Cross Check reservations software, Qantas Standard Fares and Qantas Promotional Fares. In addition to these industry qualifications, you will study Australian retail, tour creation, front line selling, customer relations, global destinations, and travel products.

The final semester builds on these skills by including studies in advanced tourism business operations and regulations, marketing, and management. You will develop skills in supervision, leadership, coaching, presentation, and participate in valuable industry networking to enhance your future career.

**Entry requirements:** IELTS 5.5 (with no individual band less than 5.0), TOEFL 530 or ISLPR 2+ and completion of Year 12 or equivalent with a sound achievement in English and mathematics.

**University pathways:**
- Bachelor of Business – SCU – 4 semesters
- Bachelor of Sport Tourism Management – SCU – 4 semesters
- Bachelor of Environmental Tourism Management – SCU – 4 semesters
- Bachelor of Business (Tourism, Leisure and Event Management) – USC – 4 semesters
- Bachelor of Business Administration – USQ – 4 semesters
- Bachelor of Business – USQ – 4 semesters
Diploma of Events

This qualification provides you with the skills and knowledge to be competent in a broad range of event management skills, including significant communication, planning and organisational skills.

You will be able to work in a range of organisations where event management takes place, and such organisations are diverse in nature. Examples include professional conference organisers, exhibition and event management companies, sporting associations, community organisations, hospitality and cultural venues.

Entry requirements: IELTS 5.5 (with no individual band less than 5.0), TOEFL 530 or ISLPR 2+ and completion of Year 12.

Career opportunities: Graduates may pursue career paths as an event, venue or conference coordinator, exhibitions coordinator or professional conference organiser/manager, event manager, incentives manager or exhibition/venue manager.

Further study options: Upon successful completion of the diploma you can take advantage of our pathway options to university with guaranteed study credits.

- Bachelor of Business Administration – USQ – 4 semesters
- Bachelor of Business – USQ – 4 semesters

Students are given many chances to work with industry professionals via volunteer work, classes and workshops – providing an edge in the workforce.

Sofia Darveniza,
Diploma of Event Management
If you are on a pathway towards a certificate, diploma or higher degree study, or simply looking to improve your English language fluency for social and business purposes, ELS has an option to suit your level and needs.

ELS Brisbane delivers Intensive English Programs to international students, and is based at TAFE Queensland Brisbane’s Mt Gravatt campus.

There are 12 ELS levels, each lasting four weeks in duration. Upon arrival you will need to undertake an English language proficiency test so that you are placed in a level appropriate to your existing English skills. Each level builds upon the previous, challenging you to extend your proficiency, advancing you towards your goal.

**ELS minimum entry requirements**

- ELS 109 for programs requiring 5.5 IELTS
- ELS 112 Standard Pass for programs requiring 6.0 IELTS
- ELS 112 Proficiency Level for programs requiring 6.5 IELTS

Specific entry requirements for your chosen program may apply.

For more information visit [www.brisbane.els.edu](http://www.brisbane.els.edu)

Welcome and orientation

We provide you with a comprehensive orientation to your new home city, covering everything from study tips, support services and accommodation options, to local insider knowledge on best spots for a great meal or an exciting day trip.

You can also explore more of what Brisbane offers international students at Australia’s largest city Orientation Day - the Brisbane Welcomes International Students Festival.

Finding your home away from home

Brisbane offers different accommodation options to suit every lifestyle and budget, including temporary accommodation such as hotels, motels, youth hostels and backpackers upon arrival, and permanent rentals for long term living. Your TAFE Queensland Brisbane International Student Support officer can help you find the best option for your needs.

Personalised support

To help you find your feet in your new home TAFE Queensland Brisbane’s International Student Support Officers (ISSO) can assist and guide you with advice on accommodation, banking, transport, cultural adjustment and homesickness, community support and multicultural services, overseas student health cover and health concerns.

Get involved in campus activities

TAFE Queensland Brisbane has a vibrant student sports program and international students play an active part. Activities include touch football, badminton and basketball shoot-outs and are designed to help students make new friends.
Looking after your health
The Australian Government requires that all international students in Australia maintain medical cover through an approved Overseas Student Health Cover (OSHC) provider for the full period of your student visa.

Your OSHC will help to pay for any medical or hospital care you may need while studying in Australia, and contributes towards the costs of most prescription medicines and an ambulance in emergency.

If you need medical help in Brisbane, you should go to a doctor’s surgery that can send the bill directly to your OSHC insurance provider.

Graduation
Graduation is a special time for our TAFE Queensland Brisbane students. The successful completion of your studies is a milestone to be celebrated.

You will accept your qualification during a formal ceremony witnessed by your fellow students, proud family and friends, your teachers and industry representatives.

Getting around
Brisbane has three main types of public transport: train, bus and CityCat river ferry (boat). You can easily access them all to get to and from campus. As a full-time student you will be able to get student discounts on travel fares on all public transport. You can also take advantage of Brisbane extensive walking and bicycle tracks to get around the city.

Concession not available to students enrolled in TAFE Queensland Brisbane English Language programs.

Kick-start your career
Your journey doesn’t end at graduation. To support you in your life after study we offer our students:

› CareerHub - a free online employment service where local, national and international employers advertise positions direct to our graduates.
› Resources and guidance information can be found at Counselling and Employment Resource Centre (CERC).
Our learning environments

While you study with us, our campuses will be your home away from home. So, we’ve made sure each campus is welcoming, lively and perfect for productive learning. From purpose-built classrooms and studios, to simulated training settings, we have the right environment for you to learn the practical skills you need to be a job-ready graduate.

We regularly collaborate and consult with top industry groups and commercial businesses.

As a result, we’re able to leverage our relationships with industry and business and provide you with workplace training opportunities, skills workshops, professional development events and business breakfasts. Real world assessments will harness your current knowledge and challenge you to excel.

A great variety of fitness and beauty facilities.

We have multi-purpose fitness centres and gyms with a range of cardio equipment and machine weights. Our Skin and Body Spa feature Vichy rain showers, a spa bath and advanced skin tools, including microdermabrasion and micro-current equipment.

Our Dermal Therapies Clinic has the latest Intense Pulse Light (IPL) machinery for hair reduction services, with plans to include advanced facial rejuvenation apparatus for anti-ageing treatments. Our hairdressing training salons provide all facets of quality hairdressing services.

Features include open plan studio spaces, the latest industry software, Wacom drawing tablets and digital pens, ‘big screen’ projection facilities, a cool critique space for lounging on crash mats and comfy sofas, art material working spaces, and traditional animation facilities with light boxes, paper punch and line testing (image capture) ability.

While you’re with us, you’ll participate in industry panels, hear from guest lecturers and consult with industry representatives, as well as participate in field days and studio workshops.

You’ll also develop useful skills through work-based learning with top industry organisations. Our industry connections include large civil engineering and architectural practices such as GHD, HATCH, AECOM, Cardno, BMD, Cox Architects, Fulton Trotter and many more.

Our design studios provide the perfect relaxed environment to inspire you and get your creative juices flowing.

Our design studios provide the perfect relaxed environment to inspire you and get your creative juices flowing.
Our learning environments

Simulated clinical wards and contemporary laboratories will provide you with first-hand experience. In our nursing ward, for example, you will have access to state-of-the-art equipment, including life-size training manikins. Coupled with clinical work-placements, our facilities are the best place to put your skills to the test before you graduate.

Our aged care accommodation, simulated childcare rooms and hospital-care training facilities give you first-hand experience of what it’s like to be a community health care worker. Vocational placements are a key element of our courses and will give you a chance to put your learned skills into action before you graduate.

We have an animal grooming business and simulated veterinary surgery with Norbit the CPR dog, which provides a realistic training space to perfect intravenous, CPR, surgical and X-ray procedures. We also offer work placement with the RSPCA and the Currumbin Wildlife Sanctuary, so you can experience first-hand, real-life situations.

For sports and turf fans and horticulturists, we have spacious lands at various campuses, boasting turfed sports facilities and gardens.

Animal lovers have access to a variety of training facilities.

Our campuses feature a host of contemporary facilities, including a fully-operational training restaurant, bistros, fine-dining restaurants and professional kitchens.

Plus, you can get hands-on experience with our industry partners, working on strategies for boutique and premium hotels, assisting at major events such as the Ekka, and creating tourist experiences with the Queensland Performing Arts Centre.

Harmony Day, international student barbeques, food fairs, interactive game days and international student friendship ceremonies are just a few ways we celebrate our differences. We also have contemporary facilities, plenty of green space to socialise or study on your own, and supportive and passionate teachers.

Festivals are the perfect place to meet people from various economic and cultural backgrounds.
ENROL WITH CONFIDENCE

Student well-being begins with confidence in your enrolment decision. That’s why it is important to take advantage of our free information services to research all available study options and make informed decisions that are right for you, before you enrol. You could:

› Check out MyProfiler on our website. MyProfiler is a simple image-driven question and answer tool that will indicate your career type and help direct your course search.
› Talk to your agent in your home country. For a full list of international agents visit tafebrisbane.edu.au/international/agents
› Talk to our teachers at annual career expos in Brisbane. Check the dates on our website at tafebrisbane.edu.au
› Talk through your study decisions with an International Officer on topics such as course selection, pathways to university, payment options, workload strategies and more. To book an appointment, call +61 7 3244 5100.

DISCLAIMER All material presented is distributed by TAFE Queensland Brisbane as an information source only. TAFE Queensland Brisbane makes no statements, representations, or warranties about the accuracy or completeness of any information contained in this publication. The State of Queensland disclaims all responsibility and all liability (including without limitation, liability in negligence) for all expenses, losses, damages and costs you might incur as a result of the information being inaccurate or incomplete in any way, and for any reason.

Privacy statement – TAFE new student details

Personal information collected as a result of your enrolment will be used by the Department for general student administration and vocational education and training administration and regulation; as well as departmental planning, reporting, communication, research, evaluation, financial administration (including debt recovery), auditing and marketing. Only authorised departmental officers and other authorised persons (e.g. service providers, funding recipients) have access to this information.

- Students are aware that their personal information may be shared between TAFE Queensland Brisbane and the Australian Government and designated authorities as per the ESOS Act 2000 and The National code 2007. This information includes, but is not limited to, personal and contact details, course enrolment details and changes, and the circumstances of any suspected breach by the student of student visa conditions.

- Students agree that TAFE Queensland Brisbane may use the email address supplied by the student as a point of contact for any information the Institute deems necessary.

- Students agree that TAFE Queensland Brisbane will access Visa Entitlement Verification Online (VEVO) services at any time to confirm their visa status, work and study rights.

- Students agree that TAFE Queensland Brisbane will release information pertaining to their enrolment (excluding academic records), attendance and account details to their education agent.

- Students’ personal information will not be disclosed to any other third party without their consent, unless authorised or required by law.

- Students must complete a Student authority to release information form (QF031) to enable the release of information to third parties (education agent not included).

- Students under the age of 18 years old will have their personal information, attendance details, progress and results disclosed to their parent/guardian upon request.
