OVERVIEW

Learn to craft gorgeous jewellery

Do you have a creative streak and are you good with your hands? Try making some jewellery – it could even become a career! You'll receive hands-on training in saw piercing, ring formation, silver soldering, chain making, and technical drawing. Conducted in our fully-equipped, industry-style jewellery workshop, this one-week course is delivered by experienced teachers. You'll have the opportunity to create a ring and a chain.

HOW TO ENROL

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
