Shape your future

A qualification in civil engineering, drafting, building design or interior design will help you shape the future of Australia’s infrastructure. Learn industry-relevant skills to design and construct projects of all shapes and sizes, and develop your creative potential to bring any space to life. Gain practical experience from creating computer-aided drawings, sketching, building mock-ups and interpreting building codes and regulations. Get the competitive edge by advancing your modelling and design skills with Revit Architecture software.

**HOW TO ENROL**

Enrol now

You're ready if you have:

- checked your important dates (under the course details tab)
- checked you meet the entry requirements (under the course details tab)
- checked your course costs and knew which payment option is right for you (under the costs tab)
- Read the Student Rules and Withdrawals and Refund Policy
- Created your Unique Student Identifier and can provide this to TAFE Queensland.

All done? You're ready to enrol

**Recognition of prior learning**

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.

**Make your future happen**
