OVERVIEW

Get the skills you need to grow

Enjoy the great outdoors and watch your work come to life by enrolling in the Diploma of Horticulture. If you're a grower, gardener or have a green thumb then this course will provide you with the skills to manage business activities within the horticulture industry. Cultivate specialist knowledge in plant care, products and treatments, managing and marketing a business, and supervising staff. Graduates will be qualified for roles in parks and gardens, resorts or nursery management, and be equipped with the skills to go on to start their own business.

AHC50416 Diploma of Horticulture

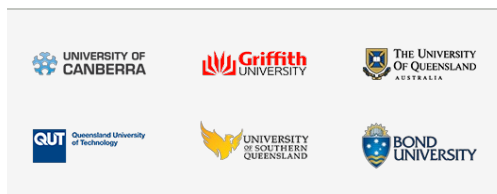

University pathways

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.

- Created your [Unique Student Identifier](#) and can provide this to TAFE Queensland.

All done? You're ready to enrol

Apply through QTAC

Making TAFE one of your top QTAC preferences is a great way to maximise your career choices and gain the hands-on skills you need to operate in the real world.

We offer hundreds of pathways to university, including dual awards, credit arrangements with some of the country's top universities, and options to increase your OP so you can gain entrance to the tertiary course of your dreams.

Recognition of prior learning

Fast-track your way to a formal qualification by earning credit for the things you already know. Getting recognition for the skills you've gained from the workplace or previous learning means less study time for you, and getting the paper to prove you're qualified a whole lot sooner.
