Get the skills you need to grow

Enjoy the great outdoors and watch your work come to life by enrolling in the Diploma of Horticulture. If you're a grower, gardener or have a green thumb then this course will provide you with the skills to manage business activities within the horticulture industry. Cultivate specialist knowledge in plant care, products and treatments, managing and marketing a business, and supervising staff. Graduates will be qualified for roles in parks and gardens, resorts or nursery management, and be equipped with the skills to go on to start their own business.

**University pathways**

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.
